

ENVIRONMENTAL PROGRAMS ASSISTANT

Positions available: 3 seasonal full time

Position Length: up to 16 weeks (contingent on funding from Canada Summer Jobs)

Start date: staggered, with the earliest start date anticipated to be April 30, 2018

Hours of work: 35 hours per week on average

Schedule: Varied. Some weekend or evening work is required.

Wage rate per hour: \$14.00

RESPONSIBILITIES

The Environmental Programs Assistant will assist Green Venture's staff to execute environmental education outreach programming in the summer with children and adults.

Working with the public in a courteous and friendly manner, the position will help promote sustainable living to children participating in school and summer camp programs at EcoHouse, as well as occasionally presenting to adults on similar topics.

Secondary tasks include assisting staff with the research, development and execution of Clean Air and Sustainable Transportation, Energy Conservation and Renewables Generation, Green Gardening, Climate Change, and Water Conservation programs.

This will also include developing EcoHouse indoor and outdoor demonstrations, and educational signage, assisting in communications by responding to phone and email inquiries related to programs and assisting in Green Venture programs' promotion at community events and presentations.

Other tasks as assigned.

Green Venture maintains an Internal Responsibility Program as part of Health and safety Program. All staff are active and engaged in assessing Health and Safety risks and seeking improvements.

Student Eligibility

- Are between 15 and 30 years of age;
- Have been registered as a full-time student in the previous academic year and intend to return to school on a full-time basis in the next academic year;
- Are Canadian citizens, permanent residents, or have official refugee protection status under the Immigration and Refugee Protection Act; and

- Are legally entitled to work in Canada, according to relevant provincial/territorial legislation and regulations

Level of Education recommended: Post-Secondary (Community College, CEGEP, Technical Institute, University)

Studies applicable to this position include students with an education background (B.Ed, ECE, EA) or those programs involving working with children. Environmental studies background would also be suitable because of the necessity of imparting environmental knowledge. Arts students, particularly those with theatre background are also a good fit.

This position will provide the student with valuable knowledge and skills that can be applied in a career focused on working with the public, particularly where environmental studies or interest is a factor.

Note that this position is contingent upon funding.

To apply for this position, please submit via email: contact@greenventure.ca. Please put "Summer Employment Application" in the subject header.

This posting is open until 3:59 PM on April 2, 2018.
